CHANCE ENCOUNTER BY CHINESE OF JAPANESE TROOPS AT YOYANG LEADS TO RENEWED FIGHTING

MAJOR OPERATIONS START IN KIANGSI & SHENSI

CHANGSHA, Oct. 20 (Central)—Field dispatches report that sharp fighting has been going on between Linsiang and Taolin, in North Hunan, during the past two days.

Chinese vanguards, had a chance encounter with 500 Japanese troops marching southward from Yanglowsze, 37 miles northeast of Yoyang, on the Canton-Hankow Railway on Wednesday morning. Fighting raged until yesterday evening, when the Japanese were repelled, suffering over 200 casualties.

FIRST REAL SUCCESS OF ALLIES

NEW YORK, Oct. 20 (Reuter)—The Western Allies have gained substantially through the Anglo-Franco-Turkish Pact, says the "New York Times." It constitutes their first real success since the beginning of the war and, after a series of disappointments and reverses, it is doubly welcome.

NO CEREMONY

ISTANBUL, Oct. 20 (Reuter)—The signing of the Anglo-Franco-Turkish Pact at Ankara was performed without any pomp and ceremony by the British Ambassador, Sir Hugh Knatchbull-Hugessen, the French Ambassador, M. Massigli, Gen. Wavell and Gen. Weygand, on behalf of Britain and France, and the Turkish Prime Minister, Refik Saydam, and Field-Marshal Tohamak on behalf of Turkey.

Afterwards the signatories toasted each other in champagne, stressing the importance of the new entente cordiale in aiming at the restoration of justice and lasting peace in Europe.

"WEIGHTY FACTOR"

DAMASCUS, Oct. 20 (Reuter)—Arab public opinion greeted the Pact with the liveliest satisfaction and it is felt that security has been definitely established in the Near East.

The press described that Pact as a "weighty factor directing events towards a final victory for the Allies."

WELL RECEIVED

ATHENS, Oct. 20 (Reuter)—The signing of the Anglo-Franco-Turkish Pact is exceedingly well received by the public. The press reflects general satisfaction.

EURASIA TO RESUME AIR SERVICE BETWEEN COLONY & CHUNGKING NEXT WEEK

The Eurasia Aviation Corporation's air service between Hongkong and Chungking, which was suspended at the outbreak of the European war, will be resumed early next week, it was learned yesterday from Mr. Tang Chi-kuk, manager of the local office.

New Polish Independent State

COPENHAGEN, Oct. 20 (Reuter)—The new independent State of Poland will be formed from November 1, according to the Berlin correspondent of the "Politiken."

It will be about the size of Bulgaria and the capital will be Warsaw.

Three million Polish Jews will be settled in a special Jewish State with Lublin as the capital.

SIUHSUI, KIANGSI, Oct. 20 (Central)—Bitter fighting is developing in the suburbs of Fenghsin, 23 miles west of Nanchang, in Kiangsi.

The Chinese commenced a major attack from three directions yesterday morning. Some 3,000 Japanese were thrown into the field and a number of bombing planes were sent out to assist their land units.

More hills in the western suburbs, including Kuntssaihan and Tientsinshan have been occupied by the Chinese.

In Northwest Kiangsi the Chinese column pressing toward the city from the west has occupied Szesetal, Putenchiao and Thapingshu.

JAPANESE REVERSES

LOYANG, Oct. 20 (Central)—The Japanese at Yitaitow, south-east of Puhlsen, in Shansi, were dispersed by the Chinese following a vigorous night-long attack on Wednesday.

Some 600 remnant Japanese, north-east of Yitaitow, are reported to have been surrounded by the Chinese. With their rear cut they are in a precarious position.

The Japanese column pushing towards Sianing, south-west of Puhlsen, is being engaged by the Chinese defenders in the suburbs of the town.

In South-East Shansi a Japanese offensive on the Chinese positions near Hukwa has been repelled with heavy losses. At the Changtze sector, the Chinese took the offensive a few days ago and inflicted casualties on the enemy.

IN SOUTH HOPEI

AN UNDEVELOPED PLACE, SOUTH HOPEI, Oct. 20 (Central)—A Japanese westward push from Nankai, on the Peiping-Hankow Railway, in South Hopei, resulted in a disastrous defeat recently. The Japanese were trapped and routed by the Chinese, suffering over 100 casualties.

It is understood that the planes will be operated by selected, experienced Chinese pilots.

The Corporation's German pilots have decided not to come here for fear of being interned, although reliable sources indicate that the British authorities had given assurance, through the Chinese Government, that they would be permitted to enter Hongkong under supervision in the execution of their duty.

Mr. D. D. Li, general manager of the Corporation, will be among the passengers on the first trip outward from Hongkong. Particulars regarding services may be obtained at the office of the Corporation, King's Building.

Dr. P. F. S. Court, of the Queen Mary Hospital, testified that the cause of death was a broken neck, due to, he said, force being applied to the head on the left side.

Cheng Pan-fei, a friend of the deceased, gave evidence that he knew the defendant about 10 days prior to the incident.

Witness said he saw the deceased and defendant quarrelling in Jaffe Road at the stairway of house No. 93. He went up to pacify them. The two were

BUDDHIST CHAIRMAN KIDNAPPED

SHANGHAI, Oct. 20 (Reuter)—According to press reports, the Settlement Police are investigating the kidnapping of Yuan Ying, well-known Buddhist leader and chairman of the Buddhist Association in China, who has, it is alleged, been kidnapped by Japanese plainclothes men from the headquarters of the Association in the Western District.

Yuan Ying was removed to the Japanese Gendarmerie Headquarters, it is alleged, for having collected \$100,000 locally and handed it to the Chinese Government for conducting the war against Japan. Yuan Ying admits having collected the money but maintains, however, that the funds were never used for war purposes but as aid for wounded soldiers.

Gambling Debt Of 15 Cts. Leads To Murder: "Strong Man" Faces Charge: Wanchai Fight Sequel

An alleged quarrel over a gambling debt, between two friends which was stated to have resulted in a fatal exchange of blows, led to one of them facing a charge of murder before Mr. R. A. D. Forrest at the Central Court yesterday.

The accused was YU WAI-TIM, alias TAI KAU-LO ("Strong Man"), who was alleged to have killed his friend Yau Kam-hoi, aged 25, at the junction of Jaffe Road and Luard Road on September 23.

Detective-Inspector W. N. Darkin, in charge of the prosecution, said that the defendant wanted money and was going to ask one Chai Din to settle a debt of 15 cents when the deceased interfered.

Words were exchanged and resulted in a minor fight. During the struggle, the deceased bent down to pick up his clogs and while doing so the defendant was alleged to have grabbed the deceased's legs and thrown him over, causing his head to strike against the cement pavement. The defendant then stopped for a moment and made off towards Central district in a tram.

A report of the incident was made to the police and the defendant was arrested in Kowloon.

BROKEN NECK

Dr. P. F. S. Court, of the Queen Mary Hospital, testified that the cause of death was a broken neck, due to, he said, force being applied to the head on the left side.

Cheng Pan-fei, a friend of the deceased, gave evidence that he knew the defendant about 10 days prior to the incident.

China Will Fight To Bitter End

SHANGHAI, October 20 (Reuter)—Since his return from Chengtu, Generalissimo Chiang Kai-shek separately received the British, American and Soviet Ambassadors, according to Chinese reports from Chungking, which allege that, in these interviews with foreign envoys, the Generalissimo reiterated China's determination to fight to the bitter end.

TWO CALLS FOR FIRE BRIGADE

The Fire Brigade was called out twice within an hour in the Central District last night, but both alarms turned out to be not serious.

About 9.15 p.m., some paper and rubbish caught alight at the premises of the Chung Hwa Book Company, No. 89 Queen's Road Central, but the small blaze, which did not cause any damage, was easily put out.

Some cloth hanging in the verandah of No. 7 Wo On Lane, second floor, on top of D'Agillar Street, caught fire from burning joss-sticks nearby about 10 p.m. An alarm was sent through to the Brigade, but the fire had been put out before the appliances arrived.

The presence of the Emergency Unit on the second occasion attracted a large crowd.

AMERICA WILL STAND NO FURTHER NONSENSE FROM JAPAN: SCATHING SPEECH BY AMBASSADOR TO TOKYO GATHERING

"Emasculated And Truncated" Version Of The Open Door: Barbarism Of Air Bombings

U.S. PUBLIC OPINION UNANIMOUS FOR ACTION

An extremely frank exposition of Japanese-American relations was given by Mr. Joseph Grew, United States Ambassador to Japan, when speaking at a luncheon of the American Japan Society in Tokyo yesterday.

In the course of his speech, Mr. Grew, according to a Reuter message from Tokyo, declared that the American people were determined to uphold their long-established rights in China.

The American Ambassador said that his views accurately represented and interpreted the current thoughts of the American Government and people.

NEW JAPANESE DESTROYER

TOKYO, Oct. 20 (Reuter)—Another addition was made to Japan's naval strength yesterday when the destroyer Amatsi Sukaze was launched.

No less than 700 notable personages were present to hear the Ambassador who only recently returned from America.

After stating he would not insult the intelligence of his listeners by talking trivialities, Mr. Grew declared: "I suppose there is no person here who does not know that American public opinion strongly resents some of the things the Japanese armed forces are doing in China to-day including actions against American rights and legitimate interests in China." Mr. Grew then stressed the facts accurately known to the American Government and people.

In the interests of future Japanese-American relations the United States envoy declared; those facts must be faced. Only by constructive steps to alter the facts could relations between the two countries be improved.

He pointed out that American people believed in equality of commercial opportunity throughout the world. Even Japan had insisted on, and received, benefits of the "open door" in areas other than China "where we are told the principle is inapplicable except in a truncated and emasculated form."

Mr. Grew then remarked that the charge was frequently made that the American Government

and people did not understand the "new order in East Asia."

CLEARLY UNDERSTOOD

The American Government and people understood the new order as precisely and clearly as Japan. The Ambassador declared. The new order had been officially defined by Japan as an order of security, stability and progress.

Mr. Grew said that this the American Government and people desired not only for themselves but, for all nations throughout the world. He added, "But the new order in East Asia appeared, to include depriving Americans of long-established rights in China and to this the American people are opposed."

The Ambassador said that his views accurately represented and interpreted the current thoughts of the American Government and people. American public opinion in regard to recent current developments in the Far East was very nearly unanimous and based not on propaganda, but on facts. Such unanimity was a force which the United States Government could not possibly overlook and would be unfailingly reflected in its policies and actions.

INTERESTING PROGRAMME OF LEAGUE FOOTBALL FIXTURES

"Battle Of The Giants" At C. Hill To-morrow

BY "PILAT"

AN INTERESTING PROGRAMME of matches is down for decision this week-end and football of a higher standard should be seen.

The highlight, of course, will be to-morrow's match between SOUTH CHINA "A" and EASTERN. This "battle of the giants" should provide fans with the first big thrill of the season. Eastern, who were close runners-up in the 1938-39 season, lost by five goals to nil to the Caroline Hill team when they met in their first round match last season.

The homesters, will, however, have a slight edge over their opponents in that they have the same team that have been playing together for several seasons now, while Eastern have a practically new batch of players.

The chances of Eastern winning having been commented on in these columns on Wednesday, I will offer no further comment, suffice it to say that whatever the result excellent soccer should be witnessed.

Another interesting game will be that between SOUTH CHINA "B" and the ROYAL SCOTS who gave South China "A" such a close fight last week. The Chinese should win, but I would advise them not to take the Scots too lightly as the latter are well-known for their fighting spirit.

CLOSE GAME INDICATED

A close game is indicated when MIDDLESEX meet POLICE this afternoon at Sookunpoo. The "Dehards" made an auspicious start last week. The custodians of the Law have been none too impressive in their two appearances and have revealed several weak spots, both in defence and attack and, unless they can remedy these faults, they will find it hard going to hold Middlesex.

KOWLOON, though they did not show up well when they beat Navy 4-3 two weeks ago, should gather two points when they oppose the CLUB to-day. The Club have been playing much below First

Division standard and have to show considerable improvement if they are to avoid another defeat.

The last match on the programme to-morrow is that between ROYAL NAVY and ST. JOSEPH'S. The Navy are a rather uncertain combination and have found it hard to field the same team every week. On the other hand the Saints have been practising hard and may earn their first points of the season.

WEEKLY REVIEW

The Football League enters its third week to-day. Some interesting games were seen last week-end, scoring in most of the matches being high. The highest was notched by the Royal Scots who ran up the big score of 10 goals without reply against the University in the junior division. There was only one upset, South China "B," after outplaying the Police, were unfortunate to be forced to share the spoils in the First Division.

Middlesex opened the season in fine style, trouncing Club 8-1. Their superiority in combination and understanding greatly overwhelmed the Club whose resistance was very feeble.

This was their second big defeat in succession. Forrow, worked like a trojan in the pivotal berth but found Saw and his men too much of a handful. Fowler played his usual bustling game but, apart from E. Strange, received little support from the other Club forwards.

As expected the champions, South China "A," defeated the Royal Scots 5-1. The score, however, did not reflect the true run of play, for the Scots put up a much better fight than was anticipated.

Hossack was full of energy and

obtained the Scots only goal, by bustling ball and goalie into the net. The Scots' back, Naysmith and Fraser, both performed creditably in breaking up many dangerous Chinese raids.

LEE IN FINE FETTER

The Chinese, as usual, gave a polished display and showed real championship form. Lee Wai-tong was in fine fettle and delighted his many followers with a sparkling exhibition. Despite the close attention of Faulkner, the Scots' pivot, he managed to get three out of the five goals scored.

Police were considered, to be very lucky to have snatched a point from South China "B," for though they led in the closing stages the latter were by far the better team. The Police were without Blackburn and Pile, two mainstays of the team.

Hau Yung-sang, who played for Kwong Wah last year, was steady in defence and appears to have accustomed himself to his new club-mates.

KWONG WAH'S VICTORY

Kwong Wah returned to form and beat the Royal Navy by 6 goals to 4 in an evenly contested match. The Senior Service fielded an almost entirely new side and I can only pick out two familiar names—Bandy, right back, and Thorburn, inside-left.

Kwong Wah, on the whole, showed improvement but the forwards, through over-anxiety, spoiled what might have been fine scoring opportunities by being off-side.

Eastern, aspirants for championship honours this season, scored another success, easily disposing of St. Joseph's by 5-1. Their superb combination and almost uncanny understanding augurs well for their chances.

GOSANO RETURNS

The Saints turned out what must have been their strongest eleven. A. V. Gosano was seen at centre-half, supported by Hussain and Pereira, but, even with this sound intermediate line, they could not cope with the nippy Chinese forwards.

Sammy Tsang again had a busy day in goal but acquitted himself well and could not be blamed for the five shots that went past him.

CURRENT FILMS

KING'S—Jesse James (20th Century-
Fox). The life and death of a
bandit and well-known American
character, made into a handsome
young man by Tyrone Power. Some
impressive and exciting moments
are offered in this picture, as well
as some embarrassing ones. Gen-
erally well-acted and good in parts.

QUEEN'S AND ALHAMBRA—In
Name Only (RKO). Polished me-
tropolitan romantic comedy of the
eternal triangle. The theme is
capably handled by Cary Grant,
Kay Francis and Carole Lombard.

ORIENTAL—Broadway Musketiers
(Warner Bros.). Drama of Broad-
way and the bright lights turned
brighter by three hard-to-handle
damsels. Here you see Ann Sheri-
dan before she became America's
"dough" girl. Her sisters in
sickness are Marie Wilson and
Margaret Lindsay. Good fun and
good music.

CATHAY—Second Honey Moon (20th
Century-Fox). Pretty Boy Tyrone
Power and beautiful Loretta
Young in a slight, but well-framed,
story of young love and youth's
mistakes.

MAJESTIC—Kentucky (20th Cen-
tury-Fox). Romance and racing
in the American South. The ac-
ting of Loretta Young and Richard
Greene is excellent, and the story,
although occasionally heavy-handed,
has varied human appeal as
well as fine racing scenes. Good
entertainment.

STAR—Between Two Women
(MGM). Franchot Tone flounders
between blonde Virginia Bruce
and brunette Maureen O'Sullivan.
Tone plays the part of a doctor
casting covetous glances at his
brunette nurse whilst his blonde
wife is not looking. Smooth-going,
and occasionally gripping, story.

"JESSE JAMES" OPENS AT THE KING'S TO-DAY

The most romantic outlaw in the
history of America, the desperado
whose daring coloured a whole era
and endowed it with the title of
the "Serious Seventies"—the man
who invented bank holdups and
introduced train robberies—has
been brought to the screen at last
in Darryl F. Zanuck's production,
"Jesse James," the 20th Century-
Fox Technicolor epic, starring
Tyrone Power, Henry Fonda,
Nancy Kelly and Randolph Scott,
which opens at the King's Theatre
to-day.

One of the most difficult prob-
lems facing producer Darryl F.
Zanuck, who had already shown
his good judgment by casting
Tyrone Power in the title role, was
to ascertain a fair, accurate pic-
ture of what Jesse James was really
like, and then to present that pic-
ture with as much authenticity as
possible, taking care neither to
whitewash nor blacken the charac-
ter of the man.

Two years of research into the
life and times of this fascinating
character, before the actual pro-
duction of the film was begun.
Besides Power, Fonda, Miss Kelly
and Scott, Henry Hull, Slim Sum-
merville, J. Edward Bromberg,
Brian Donlevy, John Carradine,
Donald Meek, John Russell and
Jane Darwell, travelled to shoot
this gripping photoplay.

INVESTIGATION MISSION FOR CHINA

An investigation mission from
Shanghai has passed through
Hongkong on its way to China's
south-west.

The mission, formed by more
than 20 technical experts at the
invitation of Mr. Hsu Chia-sheng,
Industrialist in Shanghai, will in-
vestigate agriculture, animal hus-
bandry, mining, water conserva-
ncy, medicine and social,
economic and political conditions
in the south-west.

It will draft a report to serve
as a basis for investments.

FOUR BANKS

Meanwhile, it is learned that
aside from the four government
banks, namely, the Central Bank,
the Bank of China, the Bank of
Communications and the Farmers'
Bank, many Chinese banks in
Shanghai have open branches in
the south-west in aid of economic
development. These include the
National Commercial Bank, the
Shanghai Commercial and Savings
Bank, the Continental Bank, the
Yien Yieh Commercial Bank, the
China and South Sea Bank, the
Kinchen Bank, the Kinchen
Banking Corporation, and the Hua
Hsing Commercial Bank.

His Excellency the Governor will
be represented by his Aide-de-
Camp at the wedding of Miss W.
W. Willocks and Mr. J. G. Whit-
taker, R.A., at St. John's Cathed-
ral, and afterwards at the Hong-
kong Club Annex, at 5 p.m. on
Wednesday next, Oct. 25.

Total	790	397	223	1,410

RAUB SECTION

On No. 1 level development of the two stringers mentioned in the previous report has been continued and has given satisfactory results.

On No. 4 level rising was commenced along the stringers intersected at 270 feet east and has exposed rich ore. A rise at 300 feet north was extended to a height of 66 feet and has been following good grade stringers.

On No. 5 level the main north drive has intersected a number of low grade stringers but has not yet reached the main stringer zone.

ANDERSON SECTION

On No. 4 level from the intermediate drive at a point 30 feet north of the rise a rise was commenced and advanced to a height of 30 feet along payable reef but the present face shows the reef to have broken up and rising has been suspended.

BUKIT KOMAN SECTION

On No. 3 level the rise was continued but above a height of 45 feet assay values of the reef are low and the rise has been suspended. A winze was commenced to test the reef below the level and advanced to a depth of 13 feet along low grade reef.

On No. 5 level the west crosscut has not yet reached the western reef. The south drive is now following a reef which may be the downward continuation of the reef on No. 3 level but to date the reef has been low grade.

On No. 10 level development work from the bottom of the winze and top of the rise has been continued along low grade reef.

DERRICK SECTION

On No. 3 level north and south drives have been commenced at 78 feet east. The north drive has exposed a length of 24 feet of reef carrying good values.

On No. 5 level the winze at 650 feet south was continued along payable reef.

On No. 6 level the south drive from the 200 feet south crosscut was recommenced and is following a reef giving payable assay values.

The 400 feet east crosscut was recommenced and has intersected a low grade reef 5 feet wide.

North and south drives are being commenced along this reef.

"THE GLORIOUS UNCERTAINTIES OF A CASE BEFORE MR. JUSTICE LINDSELL"

Remark Explained By Mr. M. A. Da Silva

"The glorious uncertainties of a case before Mr. Justice Lindsell," a remark made by an unnamed solicitor in Hongkong, was quoted and explained by Mr. M. A. da Silva at the Summary Court yesterday when the hearing of the disputed \$50 promissory note claim brought by Chin Kwai-yuen, of No. 7 Gap Road, against Wong Man-toon, of No. 27, D'Aguiar Street, was concluded.

The claim was for the sum of \$50 due and payable upon a promissory note signed by the defendant or, alternatively, as the balance due on the purchase of motor car No. 105.

Defendant denied the claim or that he had ever signed the promissory note in question.

Mr. Silva appeared for the plaintiff, and Mr. Alfred Y. Hon was for the defence.

After Mr. Hon had made a lengthy aid, as Mr. Silva described,

ed, "forceful" address, Mr. Silva prefaced his submissions by referring to a remark which he said he had heard used by a brother professional.

HIGH COMPLIMENT

"The glorious uncertainties of a case before Mr. Justice Lindsell," said Mr. Silva, was on the face of it an uncomplimentary remark, but it had been explained by the highest order, which was to say that his Lordship had the highest judicial receptiveness which a judge, or a magistrate, should have.

Defendant, said Mr. Silva, admitted that at no time had he given a specimen of his signature to the plaintiff, so how could it be that plaintiff could forge the signature, as alleged?

He submitted that defendant's refusal to give a specimen of his handwriting, after expert evidence had been given at a previous hearing by Mr. Hin-shing Lo, was highly suspicious.

NOTE NOT SIGNED

After further argument, Mr. Justice Lindsell ruled that he was satisfied that the promissory note was not signed by the defendant, but at the same time he was satisfied that a sum of \$50 was owing to the plaintiff.

Judgment was given for this amount, but no order was made as to costs.

He admitted that he was going to steal in Kowloon City when arrested.

HONGKONG, OCTOBER 21, 1939

MR. GREW AND JAPAN

IN MR. GREW'S SPEECH before the annual luncheon of the American-Japanese Society in Tokyo, the usual honeyed platitudes and formal expressions of friendship usual on such occasions were notable by their absence. Addressing a gathering of 700 leaders in all walks of life in a country in which every breath that might suggest the true attitude of the democratic nations towards the military adventure in China is instantly suppressed, the Ambassador spoke straight from the shoulder. The American people, he said, detested the immorality and the cruelty of Japanese aggression. They had ample proof that this aggression was not only wicked on grounds of humanity, but strongly inimical to American interests. So unanimous and so strong was this feeling in the United States that the Government had no choice but to make it the basis of its policy.

ONE CAN WELL IMAGINE the effect produced by this statement. And the circumstances in which it was made were indeed sensational. We do not remember any other occasion on which an Ambassador, speaking in public in the country to which he is accredited, has launched such an attack on the policy of that country and the propaganda-shibboleths advanced to justify it. Yet this is precisely what Mr. Grew did, speaking over the head of the Japanese Government to the people of the country.

IN PACIFIC POLITICS, Mr. Grew's speech marks a new step forward along the road the landmarks of which are the repeated American reaffirmations of the Nine Power Treaty, the abrogation of the Commercial Treaty of 1911 and the strengthening of the naval establishment in the Eastern Ocean. In the circumstances of the second European War it serves notice on Japan that, although Britain and France may be engaged elsewhere, the United States will see to it that every attempt to impose Japanese hegemony on the Pacific will be resisted. Besides China, in whose name the Generalissimo has just re-affirmed determination to struggle until victory is gained, two world powers are now in a position to take action to limit Japanese ambitions—the United States and the Soviet Union. Such action may be taken alone or in combination.

WHILE THE PROSPECTS thus improve for a structure of collective security in the Pacific, the Japanese have resumed, with a blare of trumpets, their propaganda concerning the imminent "sovietisation" of China. It is particularly regrettable, and contemptible, that some news agencies, notably the Shanghai office of Reuters, appear to be willingly participating in this campaign, not defining the obvious "sources" of such information with sufficient clarity and, on occasion, embellishing the Japanese contentions with vignettes of their own.

Hello & Goodbye

(BY A. W. HYER)

The steamers and airliners in and out of this port during the week have brought many visitors and transit travellers in the city. The travel business in the past six days has definitely been satisfactory from the standpoint of passenger traffic.

Imperial Airways services over the week-end will cause the major travel interest. However, an Italian steamer calling here will have many passengers.

The Vice-President of the Philippine Commonwealth, Mr. S. Osmena will visit several hours in port to-day when he arrives from Shanghai en route to Manila from Europe and America.

Pan American Airways

CAPTAIN PAT NOLAN put the big California Clipper into the sky on Thursday at 8.30 a.m. on the dot, and was away on the return trip to San Francisco, via Manila.

Mr. Chan Sing and Mrs. Lee Shee, accompanied by their three young sons and a daughter, were off for their home in Baguio Mr. Chan, connected with the Balatoc Mining Co., flew to the Colony a week ago to collect his family. Their departure was a gay affair.

Another large Chinese family "clipping" to Manila included Mr. Leung Chan, Mrs. Leung So accompanied by four nieces, a nephew and their daughter. The flight of the Clipper to Manila was certainly a family gathering.

Returning from a week's business and social call in Hongkong was Mr. James M. Ross, the big, tall attorney from Manila.

From the home town departed Mr. L. L. Roche, popular member of Standard Vacuum Oil Co.'s local office. Business conferences are in store for him in Manila.

The very exotic and attractive actress Miss Yu Lai Chan flew down to Manila where she will fulfill entertainment engagements. The young lady was quite excited over the air journey.

Marsman and Co.'s Mr. B. S. Obriek went back to his offices in Manila. However, the short plane journey was just a ride, his recent flight across the Pacific Ocean promoting him to the veteran class.

Holidaying to the United States was Mrs. Maxine Leonard, the young wife of C.N.A.C.'s super-pilot was quite excited over the forthcoming journey and her visit with relatives in the United States but with all such excitement there was deep concern about her nice husband she is leaving behind.

which contravene every principle of news-agency ethics. A notable example of this is the gratuitous statement, cabled to the Colony and printed by our contemporaries, that while no confirmation of the Tokyo rumours is obtainable from Chungking this is presumably a result of strict censorship. It is high time that the anti-Chinese antics of Reuter's Shanghai correspondent were investigated and exposed.

THE INTELLIGENT reader will understand clearly that what the Japanese really fear is not the fictitious Soviet "aggression" in China but the more serious threat to their aspirations signalised by such straws in the wind as Ambassador Grew's speech. The sole purpose of the "Red China" rumours are intended to hoodwink Japan, as they once almost accepted Hitler, as a "bulwark against Bolshevism."

FOR THE LESS WELL-INFORMED it is necessary to re-iterate once again that China fights for self-preservation, that her only enemy is Japan, that her natural allies are those who are menaced by the same enemy, and that on this basis she will maintain cordial relations with all countries, and will gratefully accept and utilise the assistance of any nation that is willing or able to grant it.

from a short visit in Hanoi. Business is very fine and life was perfect on his return home.

Mr. J. F. Freeman and Mr. A. Codereck comprised the passengers travelling from Hanoi to Hongkong.

Outward Traffic

SAILING SOUTH to Manila on the American steamer the other afternoon were Mr. and Mrs. Eric Mayell. The gentleman is the man who runs about the Far East with a camera catching odd and interesting pictures for Fox-Motion News, and no doubt, he is on a picture story in the south.

The little champion of entertainment, Mr. Max Mallini, who has entertained the Hongkong public during the past weeks travelled south to new engagements and audiences. Accompanying him was Mr. O. Mallini.

Mr. George C. Dankworth, vice-president of Marsman and Company Inc., returned south to his desk in Manila. The annual meeting of his company here last week necessitated his presence. Business is fine and his visit most pleasant.

Captain and Mrs. John Harry, U.S. Army have completed a pleasure and semi-business trip. At their departure from Hongkong for their home in Manila, the send-off was a merry one.

Dr. Bernardo de Souza, accompanied by Miss Helba de Souza, were travelling south to Manila on the American steamer. However, words with them were out of the question, a large gathering barring our progress as the three blasts from the ship's whistle gave visitors their cue.

Bound for Shanghai by the luxurious Dutch motorship was Mr. S. T. Williamson, manager of the steamship company bearing his name. This busy shipping executive has recently purchased two vessels to add to the already large fleet which ply China waters. This is his second call to Shanghai within the month, but business is business.

Mr. and Mrs. Li Chok Chung and their two children, Master Li Fook Shin and Miss Li Wai Yee, were Shanghai-bound on the Dutch vessel. Friends galore gathered at the ship to speed them on their way.

Mr. and Mrs. George Walden were certainly bid adieu in fine fashion by American friends in the Colony when they sailed for Shanghai on the Dutch motorship.

Inward Traffic

BACK FROM SINGAPORE—calling came Mr. Charles Unbehann, executive of the Hume Pipe Co. Though he was in a big rush, our fleeting glance of this gentleman proved he was in fit and fine condition.

Quite a few Army officers and their respective families journey from Laurence Marques to Hongkong en route to Macao. The Dutch line is becoming quite popular with officers of the Portuguese Army officers in transfer.

Girl Cyclist Swept Off Her Machine

FLOODS RISING IN BRITAIN

LONDON, Oct. 20 (Reuter).—The floods, over an area of 600 square miles, which followed heavy rain on Wednesday, began to subside during the night, but rain fell again yesterday and the waters are rising.

In Bedfordshire the floods are spreading east and many villages are still isolated. In many parts of the country they have reached a depth of four feet. Newport and Pagnell, on Buckinghamshire have been cut off.

A girl cyclist in Bucks was swept off her machine, and, until rescued, clung to a telegraph pole which was floating by.

ROAD IMPASSABLE

A later message stated that the floods in Buckinghamshire are subsiding somewhat, but they are increasing in Bedfordshire. At Bedford Bridge the waters have risen three feet and the main road north out of the town is impassable.

KING'S COLLEGE WIN INTER-SCHOOL SWIMMING SPORTS

Prominent Footballer Married

MR. E. L. STRANGE & MISS N. EARDLEY

A large gathering of friends and relatives were present at St. Joseph's Church yesterday afternoon at the wedding between Miss Nancy Little Eardley and Mr. Ernest Leonard Strange, prominent footballer. A personal friend, the Rev. Father John J. Lima, of the Maryknoll Mission, officiated.

Mr. V. Searle accompanied the bride to the altar. Attired in a princess gown of ivory satin, Miss Eardley was one of the outstanding brides of the autumn season. Her attendants, Miss Greta Eardley, a sister, and Miss Pauline Strange, the groom's sister, were costumed in frocks of rose pink tulle set off by silver dutch caps. The matron of honour, Mrs. S. Strange wore a frock of midnight blue in French chignon.

Attending Mr. Strange as best man was Mr. B. Hynes. The ushers

Tam Tjong-thian Most Promising Swimmer

The Inter-School Swimming Sports Championship at the Victoria Recreation Club yesterday was won by King's College with a total of 254 points, as against 204 points by Wah Yan College and 17 scored by St. Joseph's College.

Every event, with the single exception of the 50 Yards Free Style, saw a very close win.

Tam Tjong-thian, of St. Stephen's College, returning times of 28 seconds flat and 65-1/5 secs. for the 50 and 100 Yards Free Style, was perhaps the outstanding swimmer on view.

The times returned in the other events cannot be considered as promising of a wealth of swimming talent for the Colony Championships of the future.

The divers performed reasonably well, but seemed to have some difficulty with the board. Donald Young, who did not excel but managed to cut the water smoothly with every dive, was named winner with 116 1/2 points.

Both the relay races saw close finishes, the medley relay being a near dead heat as E. Roberts, of

Family Row: Woman In Hospital

CAUSE SAID TO BE MONEY

A family quarrel, it is believed, over money matters, led to two occupants of No. 909 Des Voeux Road West, second floor, being sent to hospital last night with serious stab wounds and an elderly member of the family being arrested in connexion with the wounding.

Admitted to the Queen Mary Hospital about 7.15 p.m. last night suffering from a stab wound in the abdomen, Lo Chan-lam, a 28-year-old married woman, was stated to be in a very serious condition, and little hope was held out for her recovery.

STABBED IN EYE

Her husband, Ip Man, an unemployed tailor, 28 years of age, was also sent to hospital suffering from a stab wound in the right eye. His condition was not so critical.

The circumstances surrounding the dispute were not clear, and police had little information to disclose. It was learned, however, that another member of the family, an elderly man, had been arrested in connexion with the incident.

Mr. R. G. Menzies, Australian Prime Minister, announced compulsory military training for men of the age of 21. They will be employed for home service unless they volunteer for overseas service, says Reuter.

After a honeymoon to be spent at Repulse Bay, Mr. and Mrs. Strange will make their home in Hongkong, Mr. Strange being connected with the Colonial Secretariat.

MODERN NAVAL WARFARE

Lecture In Ricci Hall

An interesting lecture was delivered last evening in Ricci Hall by Rev. Fr. D. Donnelly, S.J., the title of the lecture being "A Modern Naval Battle."

Fr. Donnelly, commenced by pointing out that, whereas the present war in the West in Europe has begun very cautiously and with very small loss of life, the Great War began on land very differently. He spoke about the three North Sea battles of the Great War, that of the Heligoland Light, of the Dogger Bank, and of Jutland.

BATTLE OF JUTLAND

Fr. Donnelly described in detail the circumstances which led up to the great battle of Jutland telling how neither of the combatants knew that the other's dreadnought fleet was in the North Sea. No battle, perhaps, in all history led to so much discussion afterwards as Germany's victory, as she claimed? Was Jellicoe wrong not to force a decisive action despite the falling light? Was Beatty wrong in the fighting decision which caused his ships to suffer so disastrous a hammering? "It is not for us to decide, but this much is certain: that when the mists and

NAZIS SUFFER ANOTHER DIPLOMATIC CHECK: ANGLO-FRENCH PACT SIGNED WITH TURKEY: TRIUMPH FOR BRITAIN

LONDON, Oct. 20 (Reuter)—It is understood that the pact between Britain and Turkey and France and Turkey was signed yesterday afternoon.

The treaty, which is practically in its original shape and has undergone only very slight and unimportant modifications, provides:

FIRSTLY, THAT THE BRITISH AND FRENCH GOVERNMENTS UNDERTAKE TO ASSIST TURKEY:

(A) In the event of any act of aggression by any European power;

(B) If any action by a European power shall lead to war in the Mediterranean and in which Turkey should be involved;

SECONDLY, TURKEY AGREES TO COME TO THE SUPPORT OF BRITAIN AND FRANCE:

(A) In the event of any act of aggression by a European power involving hostilities in the Eastern Mediterranean;

(B) If the United Kingdom and France are engaged in hostilities as a result of their guarantees to Rumania and Greece;

THIRDLY, THE THREE GOVERNMENTS AGREE TO CONSULT IN REGARD TO COMMON ACTION IN THE EVENT OF ANY CONDITIONS ARISING UNDER THE PREVIOUS ARTICLES.

THE TREATY is for a period of fifteen years.

THE PROTOCOL provides that Turkey shall not be compelled to take action under the Treaty if such action would involve war with Soviet Russia.

FRENCH DELIGHTED

PARIS, Oct. 20 (Reuter)—Well-informed circles are delighted at the conclusion of the Ankara Agreement and interest attaches to the question of what attitude Italy will adopt.

Praising Turkey's loyalty, "Les Temps" says that Germany has suffered another diplomatic check. The question of the Dardanelles was certainly the chief subject of the Moscow talks and that was what caused Germany most concern.

JUGOSLAV APPROVAL

BELGRADE, Oct. 20 (Reuter)—

Although no official comment is available on the Anglo-Franco-Turkish Agreement, headlines and the presentation of the news shows unqualified approval by the Yugoslav press.

A message from Ankara states that Gen. Wavell and Gen. Weygand began staff talks with the Turkish military leaders yesterday.

REGISTERED WITH LEAGUE

LONDON, Oct. 20 (Reuter)—It is learned in official circles here that the Anglo-Franco-Turkish Agreement will be registered at the League of Nations.

TEXT OF ANGLO-FRENCH PACTS WITH TURKEY

LONDON, Oct. 20 (Reuter)—The text of the Ankara Agreement, which is published, consists of nine articles:

FIRSTLY, Britain and France to assist Turkey in the event of the latter being a victim of aggression;

SECONDLY, providing mutual assistance, in the event of Turkey, on the one hand, and Britain and France, on the other, being involved in a war in the Mediterranean as a result of an act of aggression;

THIRDLY, Turkey to assist Britain and France in hostilities arising in virtue of the Anglo-French guarantees to Greece and Rumania;

FOURTHLY, in the event of Britain and France being involved in hostilities as a consequence of aggression by a European power, without the provisions of Articles II and III being applicable, the contracting parties will consult together, while Turkey will observe, at least, benevolent neutrality towards Britain and France;

FIFTHLY, to provide for similar consultation with a view to common action in the event of aggression against another European state, which any of the contracting parties has undertaken to assist, or in the event of indirect aggression which menaces the security of any contracting power;

SIXTHLY, affirms that the treaty is not directed against any country;

SEVENTHLY, the provisions are equally binding as the bilateral obligations between Turkey and each of the two other contracting parties;

EIGHTHLY, if the contractants are engaged in hostilities in consequence of the operation of the Treaty, they will not conclude a separate peace;

NINTHLY, the Treaty is valid for fifteen years and is automatically renewable for a further five years, unless denounced at the expiration of fifteen years and becomes effective immediately.

THE PROTOCOL exempts Turkey from obligations of the Treaty which would compel her to enter an armed conflict with the Soviets.

PREMIER'S MESSAGE

MR. CHAMBERLAIN telegraphed to Refik Saydam a personal message of good wishes and congratulations on the conclusion of the Treaty of Mutual Assistance, welcoming this additional proof of the resolve of the three countries to collaborate in furthering their common interests and looking forward to the continuance of co-operation in pursuing the policy in the Treaty.

SCATHING SPEECH

United States resent the methods the Japanese forces were employing in China to-day and what appear to be their objectives. Mr. Grew declared that the American people had been profoundly shocked by the widespread use of bombing in China, not only on the grounds of humanity, but also on the grounds of the direct menace to American lives and property and accompanied by loss of American life and the crippling of American citizens.

"They regard, with growing seriousness, the violation of interference with American rights by Japanese armed forces in China in disregard of the treaties and agreements entered into by several nations, including Japan," remarked Mr. Grew.

"Not only are the American people perturbed over being arbitrarily deprived of their long-established rights, including those of equal opportunity and fair treatment, but they feel that the present trend in the Far East, if continued, will be destructive of the hopes they sincerely cherish of the development of an orderly world."

"American rights and interests in China are being impaired and destroyed by the policies and actions of the Japanese authorities in China; American property is being damaged and destroyed; American nationals are endangered and subjected to indignities, which, if I detailed, you would unquestionably appreciate the soundness and full justification of the American attitude."

CLOSE ECONOMY

"In short, the American people, from thoroughly reliable evidence, have good reason to believe that an effort is being made to establish control, in Japan's own interest, of large areas on the Continent of Asia and to impose there a system of close economy."

"This, added to the effect of the bombing indignities and manifold interference with American rights, accounts for the attitude of the American people towards Japan to-day."

"It is my belief, and the belief of the American Government and people, that the many things injurious to the United States, which have been, and are being, done by Japanese agencies are wholly needless and we believe that real security and stability in the Far

ROOSEVELT URGED TO MEDIATE IN EUROPE

NEUTRALITY BILL DEBATE

WASHINGTON, Oct. 20 (Reuter)—Despite the ample recent indications that President Roosevelt does not intend involving himself in European arbitration in order to secure peace on Hitler's terms, the Senators opposing the arms embargo repeal continue to harp on the desirability of the President arbitrating.

Continuing the neutrality debate, Senator McCarran declared that if only President Roosevelt would not insist on the repeal, he would be in a strong position to mediate in Europe, but if he insisted on changing the status of the country's neutrality now, he would disqualify himself as a disinterested neutral.

Senator Wheeler voiced the opinion in some conservative quarters declaring that Communism, and not Nazism, is the world's real enemy.

AGAINST MEDIATION

OSLO, Oct. 20 (Reuter)—The northern conference has considered the question of mediating for peace, according to newspapers which believe that the Rulers of Norway, Sweden and Denmark have decided against mediation because the conditions are unfavourable.

East could be attained without running counter to any American rights whatsoever," he concluded.

JAPANESE COMMENT

Commenting on Mr. Grew's speech, the "Chugai Shogyo," leading financial daily, remarks, "This formal expression of the American viewpoint serves as evidence of the refusal of the United States to accept, either in form or substance, Japan's stand and determination in her endeavour to construct a new order in East Asia at the stake of its national fortune."

FRIENDSHIP TREATY

TEHRAN, Oct. 20 (Reuter)—It was officially announced yesterday that a Treaty of Friendship between Iraq and Japan was signed last night.

Scandinavian Co-Operation Might Provide A Model For The Whole World

STOCKHOLM, Oct. 20 (Reuter)—The heads of the Scandinavian States broadcast from the Royal Palace in Stockholm yesterday.

King Gustav of Sweden emphasised the importance of Nordic neutrality and the value of solidarity of the Scandinavian countries.

King Christian of Denmark described the meeting of the Scandinavian countries as a logical sequence to the conference at Malmo in the first year of the last war. His broadcast struck a note of hope for the future.

King Haakon of Norway said Scandinavian co-operation might provide a model for the whole world.

President Kallio of Finland said the Russian demands on Finland were serious, but he hoped the Soviet would respect her agreements, which provided for the settlement of differences by peaceful means.

He declared that the support granted Finland by the other Scandinavian countries was not limited to words, but had taken expression in action.

CONFERENCE ENDS

LONDON, Oct. 20 (Reuter)—The Four-Power Scandinavian Conference ended in Stockholm yesterday evening.

A communique says that the three Kings and the President of Finland, together with their Foreign Ministers, examined the difficulties they were faced with in maintaining strict neutrality.

They unanimously decided to continue the talks on matters affecting neutrality and trade relations.

FINE CONCERT

The programme arranged by Mrs. Helen Lockhart which was presented at the concert last night at St. Andrew's Church Hall, in aid of funds for Christ Church, Kowloon Tong, met with a very warm reception from the 100 and more persons who attended. Among the artists who contributed of their talent were Gaston D'Aquino, Eva Turner, J. R. M. Smith, Frue Lewis, Helen Lockhart, Victor Sanders, Les Gibson and E. O'Neill Shaw.

Except in certain highly specialised departments, the fighting services in Britain do not at present require volunteers from overseas, a Government official told the press yesterday. The recruitment of certain specialised people in the Colony was being considered.

Patricide Perpetrators Punished

STRANGULATION SENTENCE

SHANGHAI, Oct. 20 (Reuter)—Two perpetrators of the only patricide in the last ten years in Shanghai are to die by strangulation for their crimes. They were given capital punishment by Judge Foo, in the First Special District Court, this morning, on charges of murdering their father by electrocution and mutilation of his dead body.

The men, Chou Ching-chi, 24, and Chou Ching-zhang, 31, looking weak and haggard in their long gowns, took the judgment without any show of emotion.

ANNUAL CRICKET CLUB FIXTURE TO-DAY C.S.C.C. Should Give League Champions Good Game

BY "E. U. ROPES"

Now that the "winter season" is well advanced, there will be many counter attractions this afternoon but the cricket programme should prove attractive enough even for the most fastidious follower of the game.

The League proper does not start till January and at present most of the clubs are in the process of team-building as it were, some of the less prominent players being given every chance to prove their worth.

On the Club ground this afternoon, the annual Married-Singles encounter will be staged and some good cricket should be seen. The fact that the Races are on might make some difference to the respective teams but I gather that most of the younger players will be available, and I will be particularly interested to see how the new blood will shape.

HUGHES DUE BACK

Cricketers in general will be interested to hear that Harry Owen Hughes, who has led Hongkong in Interport matches against Shanghai, will be arriving back in the Colony from Home leave in the not distant future. At one time it was somewhat uncertain whether he would be returning, but news has since been received that he has been allowed to come back.

Kowloon Cricket Club will meet the Middlesex in King's Park and here a good game should be seen. I hear from good authority that one or two of the players who did so well for the K.C.C. junior last week will be promoted when the League commences but I have not been able to get the names as yet.

AT SPOKUNPOO

At Spokunpoo the Indians will meet the Royal Engineers and though I feel the home team will be too good for the Sappers, it will nevertheless be interesting to see how Capt. Gross will fare in his second appearance on the Spokunpoo-wicket. He played there last week but though he made a few runs he said after he's knock that he found the wicket a little strange.

I learn that M. de Arcelli, last medium bowler, who earlier on stated he would not have time for cricket, will make his reappearance in the team in a few weeks. The man, or rather boy, I would like to watch however, is young Abdullah de Arcelli, the La Salle College bowler, who will be given his opportunity this afternoon. Indications are that he will follow in his father's footsteps as one of the opening bowlers for the Indians.

RECREIO v C.S.C.C.

Kowloon Cricket Club juniors visit the Central British School this afternoon and despite the fact that the former are about the most powerful junior team this season, I feel that the school boys will give a good account of themselves.

Last season's champions, Club de Recreio, will be at home to the Civil Service Cricket Club and in view of the fine showing put up by the latter against the Cricket Club last Saturday, I feel that it will be a very close game, with very little in it at the finish.

Eddie Gosano and H. L. Olorio, the two bowlers who did so well for the Portuguese last season, have not yet run into their best form and because of this the C.S.C.C. batsmen might get quite a useful crop of runs.

Young Derek Hollidge, who played for the Central British School with so much success last winter, has been given a place in the C.S.C.C. team and is shaping very well though he is still not very confident about his shots. More match experience, I feel, will remedy this. The two junior teams of these clubs meet at Happy Valley where the visitors should win.

CATHOLIC NEWS & NOTES

MISSION SUNDAY: CONGREGATION DE PROPAGANDA FIDE: KINSMEN OF KINGS: SCIENTISTS' HONOUR A FRENCH SAINT

To-morrow is observed throughout the Catholic world as Mission Sunday, that is a day set apart for the help of the Missions by prayer and alms. The celebration of the day, which was begun only a few years ago, has gained in extent every year, and now in every part of the world it is celebrated.

In some places where the celebration would clash with something of local importance it is transferred to another day, but it is almost universally observed on this day.

The growth of interest in the Missions has been very remarkable in recent years, and on account of the vastness of China and of the popularity of its people throughout the world the missions in China are the object of special interest.

HEAVY LOSSES

These missions have naturally suffered greatly during the war. In men alone the loss has been considerable, for twenty priests have lost their lives in the course of the war—most of them at the hands of bandits who took advantage of the war conditions to rob and murder.

The loss of mission property during the war has been enormous, and it is a public loss since most of it consisted of schools, hospitals, orphanages and similar buildings of public welfare.

At the beginning of the war in China the Apostolic Delegate to China sent instructions to all the Catholic Missions throughout the country that they were to sacrifice everything else for the sake of the wounded and the homeless, and that they were to use all the buildings for their benefit, even the churches if necessary. This was carried out loyally, and the destruction of the mission buildings was therefore in many cases a great hardship to the people.

DE PROPAGANDA FIDE

The organization of Catholic missions throughout the world is in the hands of the Roman Congregation "De Propaganda Fide" (for the propagation of the faith), from which the word "propaganda" has come, with a very different meaning. In all places in the world in which the Catholic Church is fully organized the management of affairs is in the hands of the Bishops, but in other places they are in the hands of the Congregation of Propaganda, acting through Vicars Apostolic and the other representatives. This form of organization has existed since 1622.

There is also a "Society for the Propagation of the Faith," which is an international association of lay people, as well as of priests and religious working for the support and spread of the missions. It was formed exactly two centuries ago, after the establishment of the Sacred Congregation, and from being a society toward a poor girl in Lyons to say daily prayers and make small but regular financial

contributions towards the support of the missions it has become a world-wide body with thousands of members in all the important countries of the world. It is this Society which is the main support of the Catholic Missions.

KINSMEN OF KINGS

When the Rev. Michael Bruce was recently named a Canon of Edinburgh Cathedral it was recalled that he is of the family of King Robert Bruce, being a direct descendant of Robert Clarkman, a cousin of the king. Through his mother Canon Bruce is descended from another Scottish king, St. David I.

A descendant of the last King of Ireland is also a priest, for Rev. Charles O'Connor S.J., who was ordained in Dublin a few months ago, is the next in succession to the most ancient of Irish titles, O'Connor Don, and the descendant of the last of the Irish kings. His family is one of the oldest in Europe, for it can trace its descent through a legitimate line to the year 75 A.D. The family was joined by marriage with the Royal family of England in the days of Edward III. On the same day that Fr. O'Connor was raised to the priesthood another Jesuit ordained with him was Fr. Joseph Mallin, whose father was one of the Irish leaders executed in connection with the rebellion of 1915.

FRENCH SAINT

All the great scientific societies of France, including the French Academy, sent official delegates to Clermont-Ferrand this year for the Congress which marked the fourteenth centenary of the birth of St. Gregory, Bishop of Tours, who is one of the great figures of early French history. He was called to rule the See of Tours at a very difficult time, when Roman civilization had broken down and various Frankish princes were quarrelling for power.

He was a man of great natural ability and wrote numerous books, though he protested that his education was slight and that therefore he was incapable of elegance of style. Actually there were few of his age that wrote with greater correctness and none with more erudition. His chief work was a History of France in ten volumes. In this the most famous part is that which describes his own age, and it is one of the most valuable sources of our information about the historical origin of the Frankish monarchy.

NEW MEDICAL DISCOVERIES ABOUT INDIGESTION

Relief—quick relief—is your one overwhelming necessity when suffering from stomach pain and indigestion. That is why leading medical authorities—specialists, doctors, hospitals—recommend and specify "Bismarated" Magnesia for even the most obstinate cases of dyspepsia, acid stomach and gastritis. They know (for they are in touch with the latest developments in medical practice) that recent medical research and numerous X-ray photographs of actual cases of indigestion, have proved "Bismarated" Magnesia to be the quickest-acting and the most effective stomach remedy known to medical science.

"Bismarated" Magnesia is a complete treatment for the prompt relief of all stomach troubles. Not only is it a potent neutraliser of the harmful acids which cause indigestion and stomach ulcers—it also spreads a soothing, protecting film over the inflamed stomach lining.

Get "Bismarated" Magnesia powder or tablets from your chemist or store to-day—but always look for the oval "BIS-MAG" sign on every package if you want the quickest-acting stomach remedy known.

KWANGTUNG TO INTENSIFY FOOD PRODUCTION

SHUIKWAN, October 20 (Central)—Efforts are being exerted by the Kwangtung Bureau of Agriculture and Forestry to intensify winter farming in order to meet the wartime demand for food supply. Mr. Liu Yung-chi, Director of the Bureau, revealed in a recent press interview.

The province, according to Mr. Liu, has been divided into five districts in each of which agricultural experts have been appointed to supervise winter farming. The total winter farming area has been roughly estimated at 1,000,000 mow. Arrangements have been made with the Kwangtung Provincial Bank for a loan of \$3,900,000 as capital for extending credit loans in aid of winter farming. Meanwhile, \$5,000 has been appropriated from the provincial treasury to purchase improved seeds and fertilizers to distribute to diligent farmers as an encouragement, Mr. Liu stated.

RICE IMPROVEMENT
The Bureau, Mr. Liu continued, is paying special attention to the improvement of rice. A number of rice experts have been sent to various districts to undertake this work in collaboration with men of the Central Agricultural Research Bureau. A Rice Improvement Bureau has meanwhile been established to do experimental work. Improved methods of rice planting will be first introduced to

Twenty districts in the northern, northeastern and southwestern parts of the province, and will be extended over to 4,000,000 mow within five years. By the end of that period an annual increase of 4,000,000 piculs in the output of rice is expected. Improvement of fertilizers will also be undertaken.

KWANGSI'S SUGAR OUTPUT

KWEILIN, Oct. 29 (Central)—An elaborate plan for the increase of sugar production in Kwangsi has been drawn up by the provincial authorities.

According to the plan, technical guidance and financial assistance will be given to sugar producers. The establishment of small sugar refineries will be encouraged, and the methods of sugar-cane cultivation and sugar refining will be improved.

A special bureau will be created to give technical guidance. The Kwangsi Provincial Farmers Bank will be instructed to extend credit loans to sugar producers.

Kwangsi is one of the chief sugar producing provinces in China. It has an output averaging 500,000 piculs annually, which represent 10 per cent of the total of the country's sugar production. The main sugar-producing centre in the province is Kweilin on the north bank of the Yueh River southwest of Kweiping. Other centres include Lukiang, Yungfu, Kungcheng, Luohow and Tschien.

In Kweilin alone, there were more than 13,000 mow of sugar-cane plantations and 200 sugar refineries prior to 1935, producing some 400,000 piculs of sugar each year. Since 1935, when the Kwangsi Provincial Sugar Refinery, capitalised at \$835,000, was established, the production has been doubled.

H. K. STOCK EXCHANGE

Uncertainty, both as regards political conditions outside the Colony, and economic within, has had a restraining influence on the market. The Trading Board during the week has called for no over-time efforts on those responsible for keeping it brisk and span, the deals recorded thereon having been the most meagre for many weeks past. The consolation, which has been so marked a feature of the market for some while, still obtains, there still remains no disposition on the part of holders to jettison their scrip.

JAN-MARCH	33-3/4	34-1/2	—	—
APRIL-JUNE	33-1/4	34	—	—

The market was irregular.

COTTON: There was a consistent foreign and domestic trade demand. "Spot" offerings were light and the basis was higher in the South. There was a good demand for actual hedging. Cotton goods sales for the past two weeks were encouraging.

RUBBER: Speculative activity on apprehension as to the disruption in shipments to the United States from the Near East, coupled with growing industrial demand are reflected in outstanding strength in rubber prices. Tire shipments in September were higher than a year ago. Inventories probably increased in anticipation of good foreign demand.

WHEAT: The market is marking time pending further developments of the weather conditions in our West and South-west.

HIDES: Prices have shown no significant change. The statistical position remains favourable, and there is no change in the optimistic outlook for shoe sales. Seasonal factors, however, may limit the rapidity of price advances.

NEW YORK STOCKS: Previous close, 153.54; To-day's close, 153.36; Change, off 18.

LONDON, Oct. 20 (Reuter).—In the House of Commons yesterday, asked by Sir John Wardlaw-Milne (Con.), whether he had any statement to make in regard to the Egyptian cotton crops, the Prime Minister replied: "His Majesty's Government recognize the vital importance to Egypt of the cotton crop now available for export and are considering what action they should take to assist in its orderly disposal."

**BRITISH RATION

LONDON, Oct. 20 (Reuter).—Bacon imports from Denmark, which have been suspended for a fortnight, are now to be resumed.

ACCIDENT TO A RIDER MARKS SECOND ROUND OF STUBBS CUP POLO

Two Interesting Games Played Off Yesterday

Two more matches were played in the Stubbs Cup Polo Competition yesterday when Team B met and defeated Team C by seven goals to four, and Team A met and defeated Team E by eight goals to three. Both matches were played on the Hongkong Polo Club's ground in Boundary Road, Kowloon and were watched by a representative gathering of interested spectators.

The first game, between Teams B (Red) and C (White), was marred by an accident which fortunately was not attended with serious consequences. Major A. S. Godley fell off his horse in the third chukker and was badly shaken. He appeared to have been hurt in the head in his fall and took no further part in the game, Capt. Chatty deputised for him.

The Reds (Team B) starting followed by a terrific shot from mid-field by Capt. Gilbertson who scored one of the most spectacular goals of the evening to increase the Whites total to eight. This was followed almost immediately by another beautiful long-range shot by a Whites player, but it just missed the goal, the game ending with the Whites eight and the Reds three.

The players were—Team B (Red)—Capt. R. Gilbertson, Major R. J. L. Penfold, Lt. J. A. Holdsworth and F. S. Hancock. Team A (White)—J. K. Bousfield, Capt. E. W. F. de V. Hunt and Capt. S. Burn, Lt. Col. H. Genet and Major R. E. Moody. (Capt. Hunt and Capt. Burn played two chukkers each).

So far Team B is leading in the tournament with four points, having won both their matches. Teams A, E and C having each won one game, have scored two points each, while Team D has not played as yet.

Team D will meet Team E on Monday when also Team A will play Team C. Play will start at 3.30 p.m.—The final round will be played on Friday, Oct. 27.

MID-FIELD PLAY

A certain amount of mid-field play marked the opening stages of the third chukker before Capt. Wilson, breaking away from a scramble went on to raise Reds score to six. Capt. Smith later dribbled in White's third and the chukker ended with no further improvement in the score.

Play was interrupted for some time following the accident to Major Godley. As already stated, Capt. Chatty took his place for the remainder of the game.

Play was a little faster in the last chukker and the game veered from side to side. Each team scored a goal, the Reds through Marshall and the Whites through Capt. Smith.

The players were—Team B (Red)—Capt. W. B. Wilson, D. I. Marshall, P. E. Nicholson and Major W. G. Temple. Team C—Major P. S. Whitehead, Major A. S. Godley, Lt.-Col. D. J. McDougall and B. R. Smith.

FASTER GAME

The second game between Teams E (Red) and A (White) was faster and much more interesting and provided the spectators with some exciting moments. Scoring started within two minutes of play through Capt. Hunt for the Whites, who added two more before the chukker ended with the score at Whites three—Reds one (their handicap).

The second chukker saw Bousfield, through hard riding and hard hitting, take the ball almost within scoring distance, when a neat pass to Capt. Burn enabled the latter to dribble in the fourth for the Whites. Lt. Holdsworth then took command and keeping off an attempt to ride him off, chased down the extreme end of the field to increase the White's score to four. The Reds were still two.

Early in the third chukker Lt. Col. Genet just missed scoring with a beautiful hard drive. Play moved to the other end and Bousfield in an attempt to score again was ridden off, but he succeeded in getting the better of a number of brisk exchanges and went on to score the fifth for the Whites. Lt. Col. Genet added another after a scramble at the goal mouth, and the Whites score was still further increased by Hunt who shot from a centre by Lt. Col. Genet, the chukker ending with the Whites score seven and the Reds two.

LONG SCRAMBLE

The fourth chukker opened with a long scramble for the ball from which Bousfield eventually broke off. He was however, out-riden by Major Penfold, who turning round with possession of the ball went on to score for the Reds, bringing their score to three. This was

Club Teams For To-day's Rugby

TWO GAMES AT HAPPY VALLEY

There will be two games of Rugby Football on the Club ground at Happy Valley to-day.

The first game, which will commence at 3.30 p.m., will be between the Club "A" XV and a Navy XV and will be refereed by Lt. Pirie.

In the later game, the Club 1st XV will meet the Army, the match being refereed by Dr. J. A. R. Selby.

The Club teams have been selected as follows:—

Rare Entertainment In Store For Softball Fans

BY R.O.Y.

In contrast to the top-sided results of the opening day's softball programme, all five of to-morrow's fixtures are expected to provide close finishes for the entertainment of fans who turn out at King's Park.

Highlight of the day's programme will be the meeting of "Recreio" and Chung Hwa, at 11 a.m., on the Recreio ground. Enthusiasts will remember the stirring struggle put up by these two contestants in last season's play-off series, when the Portuguese boys triumphed by 3 tallies to 1.

The Rambling Reds have their championship squad intact, but are likely to find a place for Lima at the Hot Corner, this would necessitate the switching of Spotty Pereira to the other side of the infield, but the deciding, of which infielder to drop, will cause Maestro Henrique Barros some uneasy moments.

they have displayed an excellent brand of ball in previous practice sessions against some of the best local squads, and should offer the Canucks plenty of opposition.

In Herbie Quon, the Canadians have half of the best battery in Hongkong, but it is doubtful if they can produce a receiver who can handle his slants to the best advantage.

PROBABLE CHANGES

The Chinese do not appear to be quite as strong as last year's aggregation, but a little stiffening of the outfield will improve the squad immeasurably. Manager Richard Chung will probably hand over the third base position to P. F. Choy, who is the more experienced in-fielder, while some changes are likely to be made in the gardening staff.

The opposing batteries, Johnny Alvarez and Charlie Figueroa for Recreio, Earl Wong and Nip Lum for Chung Hwa, are two of the strongest and most experienced in the league, and a regular pitchers' battle can be expected, with the odds slightly in favour of the Portuguese boys taking the honours.

FIRST LEAGUE POINTS

Of four matches to be played on the C.B.A. ground, the opener will see the International Athletics opposed to the Filipino Club; both sustained heavy defeats in their initial appearance and will go all out to garner their first league points.

The Filipinos have lost the best players of last season and will have a difficult time holding the inexperienced but better balanced squad of Internationals. Their only hope is that Loyola might strike his best form to pitch them to victory, but they also will not have an easy time against the I.A.C. battery of Albert Leonard and Sherry Box.

SECOND GAME

The second game, between the U.S.S. Mindanao and Canadian Chinese, will commence at 1.45 p.m. This will be Mindanao's first season in the local league, but

The Chinese Youth's Medical Relief Association will hold a charity ball in the Rose Room of the Peninsula Hotel on Wednesday, November 29. A meeting was held yesterday at the Metropolitan Hotel, where a Ball Committee was formed. Tickets, which will be available at \$7 per person, will be obtainable shortly.

ADDITION OF SENDER'S ADDRESS

Every article sent through the Posts should bear in the left-hand corner, or on the back, the name and address of the sender, so that the Post Office may be able in case of non-delivery, to return it unopened and without delay.
